Subject: NOIWON Upgrade

National Intelligence Officer for Warning
Office of the Director of Central Intelligence
Washington, DC 20505

1. Reference your memorandum, NIC #4942-83, 7 July 1983, SAB.
2. I support your proposal to upgrade the NOIWON but hope that the new conferencing system will allow the military services to provide informational input or to ask questions in satisfaction of valid service requirements. In any event, the Department of the Army will restrict use of the NOIWON to only time-urgent business. Any change of the military subscribers to a more active participation in the NOIWON will not usurp the responsibilities of the Defense Intelligence Agency as the focal point for DOD intelligence policy.
3. The Army representative for this action is LTC (P) Ralph A Mason, Jr., OX5-0571.

FOR THE ASSISTANT CHIEF OF STAFF FOR INTELLIGENCE:
